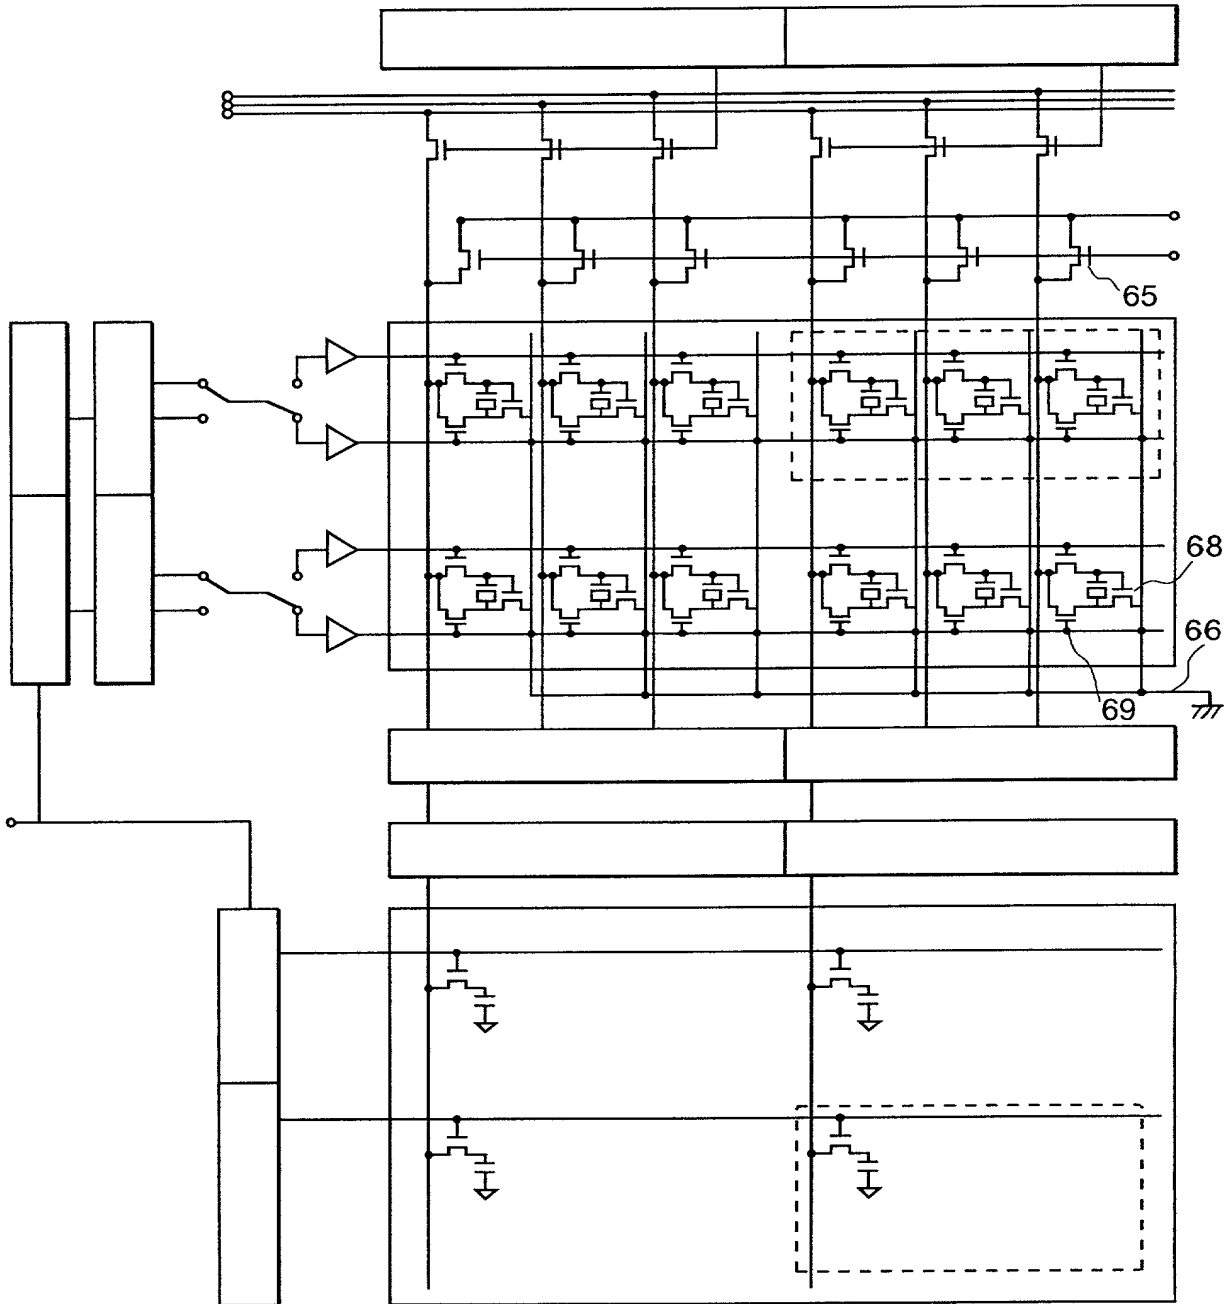

Figure 6. The effect of the number of iterations on the accuracy of the proposed algorithm. The figure shows two plots side-by-side. The left plot shows the accuracy of the proposed algorithm (Proposed) compared to the standard algorithm (Standard). The right plot shows the accuracy of the proposed algorithm (Proposed) compared to the standard algorithm (Standard).

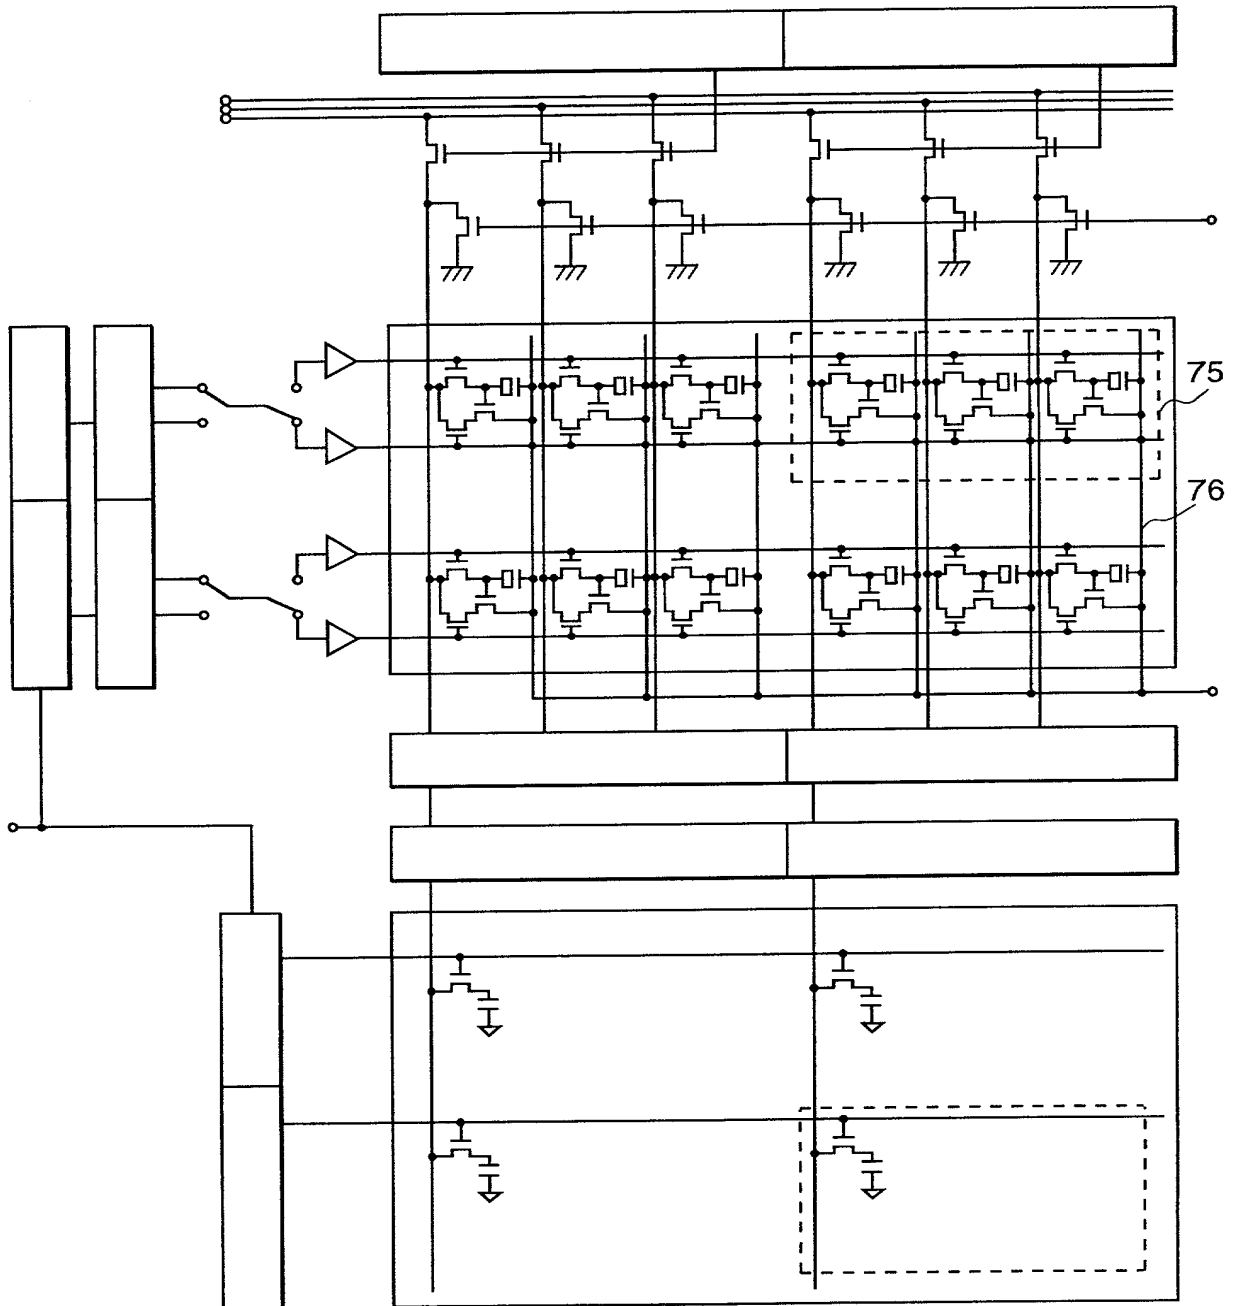

FIG. 16

[illegible]

A block diagram of a mobile device 87. The device contains a display 94, a keyboard 92, and a trackball 93. A processor 90 is connected to the display 94 and the keyboard 92. A memory 91 is connected to the processor 90. A wireless data connection is shown entering the device 87 from the bottom right, connected to a module 88. The device 87 is shown within a frame 89.
